

The holidays are here to magnify everything that is wrong in your life.

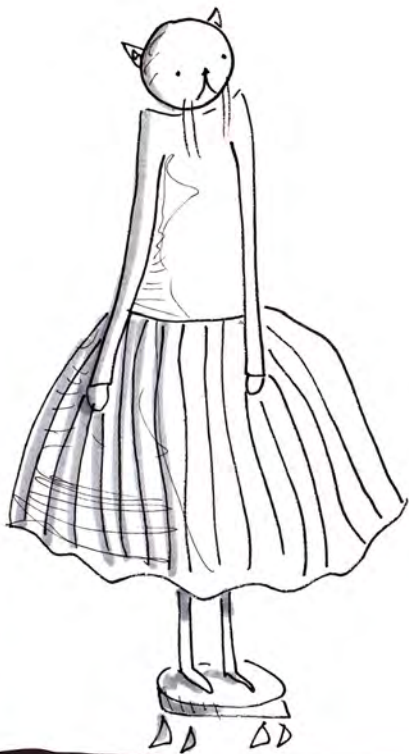

I was going to wait to tell them that.

With just a dollar a day you can help this starving child.

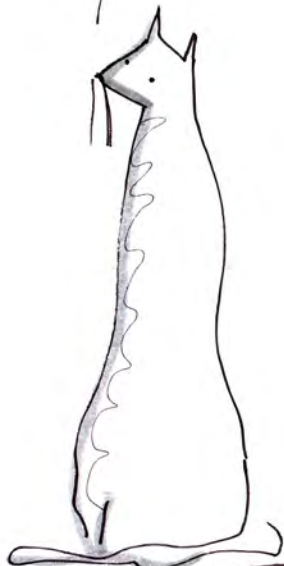

Your stepfather
and I have
decided to not give
anyone presents
for christmas but
to donate money to
a less fortunate
family.

But I live under the
poverty line.

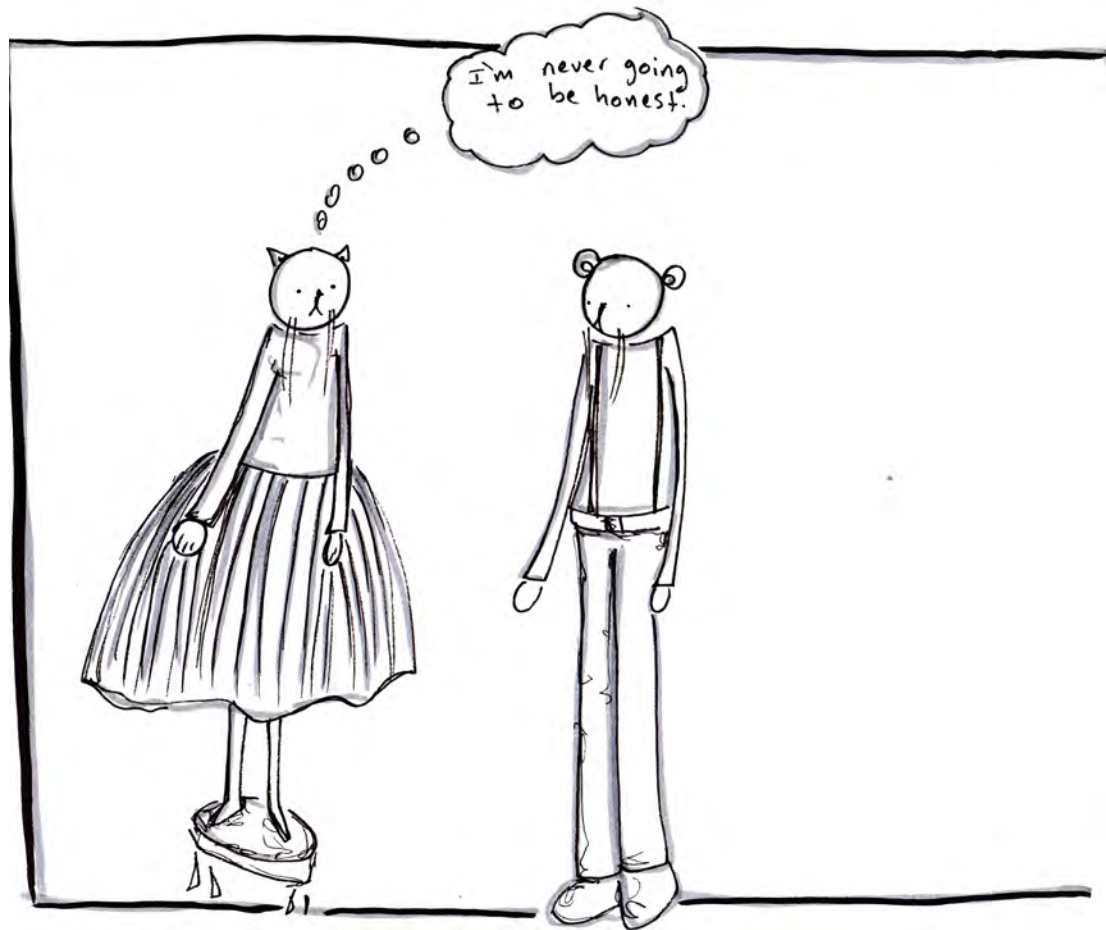

Oh, don't be
dramatic.

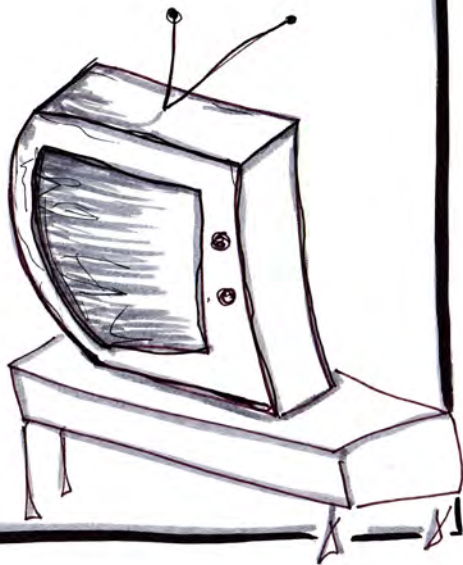

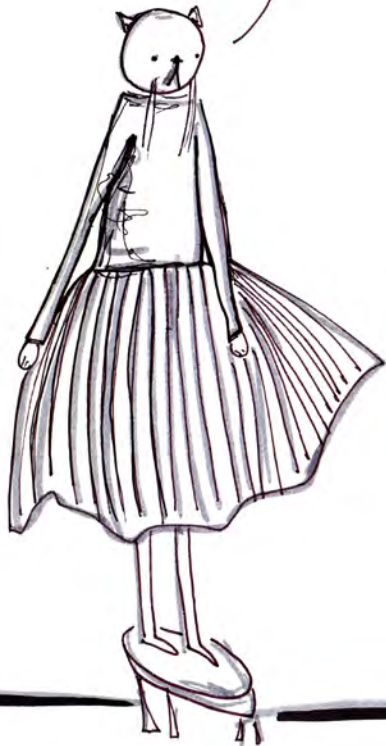

So please don't freak out
but I got you a few things
for Christmas, not like I care
about Christmas.

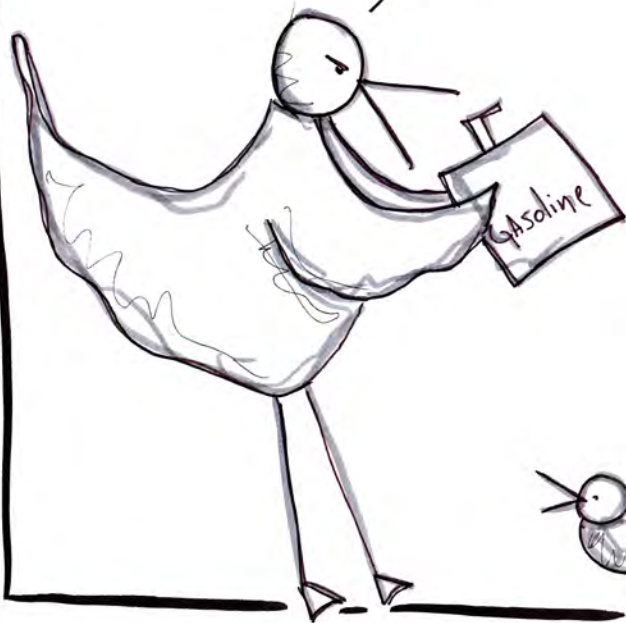

You don't understand,
I have to get off my ass.

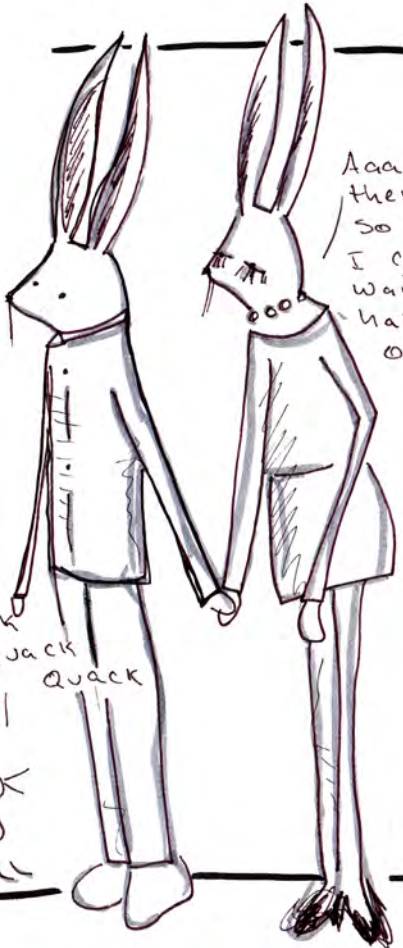

This is the best Christmas gift ever.
You kids are the best.

You used to be cool and now you're lame man.

Aaach they are so cute I can't wait to have our our own.

Quack
Quack
Quack

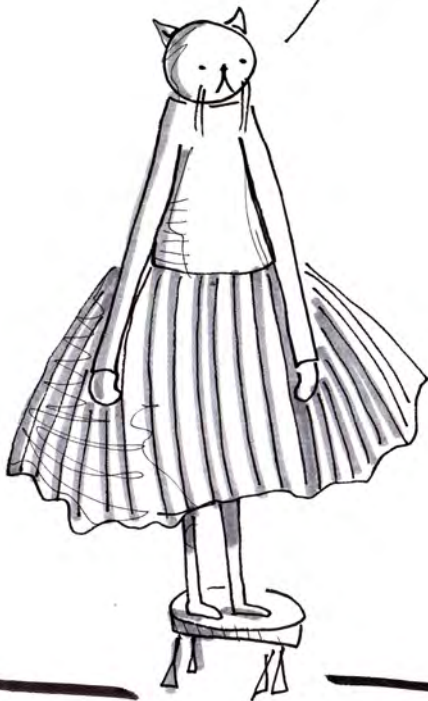

Do your own thing man,
I don't want to smother you.

I know,
you're not
that kind of
girl.

8 days, 22 hours, 38 minutes,
27 seconds until vacation.

Yeah thanks, I just don't
feel the spirit.

I wish I had a
river I could
skate away on.
